

Career Transition: Learning to Embrace Change[®]

Individualized Training Methods

Career transition is a unique time in a professional's life. This course is tailored to your team and organizational culture. With tested tools, we individualize the course to fit the needs of your team.

Global Development Consulting

Our team practices what we teach. An expert team of private and public corporate consultants, we take immense pride in learning.

OrgScienceSM

TRAINING OBJECTIVES

Designed to engage students with evidence-based material focused on the career transition process. This course includes discussion and exercises on identity transformation, and group-level understanding of professional identity.

EMBRACE CHANGE

Evidence-based curriculum focused on understanding change and embracing the next steps of life.

GLOBAL PERSPECTIVE

Scholar / Practitioners use experience to guide the learner through this course. The popular quotation, "*Change is inevitable, struggle is optional*" is global. This course leads the student through a collection of self-identifying challenges and teaches methods to embrace career change.

INSTRUCTOR

DR. CYNTHIA
BELL

Dr. Cynthia Bell's expertise includes career transition and the influence on professional identity. Cynthia spent 27 years as a corporate leader within the global financial services industry.
