

# Change Management<sup>©</sup>

## Individualized Training

Change effects both the individual and the group. This course is designed to address specific change events within your organization.

## Global Development Consulting

Our team practices what we teach. An expert team of private and public corporate consultants, we take learning seriously.

OrgScience<sup>SM</sup>

## TRAINING OBJECTIVES

Designed to examine real issues with your specific organization, this course will engage students with practical ways to prepare for, adjust to, and embrace change.

## GLOBAL PERSPECTIVE

Scholar / Practitioners use experience to guide the learner through this course. Change is global. Our knowledge has been acquired through hands-on experience.

## INSTRUCTORS

Dr. Ron Sheffield is a recognized expert on the influence language has on culture and identity. He is a lecturer at Christopher Newport University and The George Washington University, and member of an international research team focused on global business culture.
